Mr. Kamlesh Thakkar, Chairman & Managing Director of Jay Jalaram Technologies Limited, proudly highlighted the company's remarkable performance: “We are proud to report another year of strong performance. Building on our strategic shift toward high-margin electronic products and expanding our retail footprint, we achieved robust growth in net profit, increasing by **39.09%** and total income, rising by **23.94%** for FY24-25.

The expansion into mobile accessories and audio devices has further diversified our revenue streams and enhanced overall profitability. Looking ahead, we remain committed to innovation, customer-centric growth, and unlocking new opportunities across India. Our goal is to become one of the most trusted and technology-driven mobile retail chains in the country.”

About Jay Jalaram Technologies Limited:

Incorporated in 2012, Jay Jalaram Technologies has established itself as a key player in the consumer electronics retail market. The company specializes in selling mobile handsets, mobile accessories, and related products under its proprietary brand names: **KORE & EROK**.

With over 180+ stores primarily located in Gujarat, Uttar Pradesh, Delhi, and Haryana, it has built a robust and diverse business model to thrive in a highly competitive industry. The company excels in multi-brand retailing, offering a wide range of smartphones and accessories from leading manufacturers, as well as consumer durable electronics from major brands.

This extensive product lineup ensures that Jay Jalaram Technologies meets the varied needs of its customers, solidifying its position as a significant player in the market.
